FTC

The FTC is a Fiber to Copper converter. Unlike many other media converters available on market, FTC has an outdoor waterproof case with lock screw. The device supports 12-57V PoE with 802.3af/at support (with unshielded cross cable). Comes with PoE injector and power supply. The case has a mounting system that is secured by a screw from inside the lockable case, making the device hard to access by unauthorised people.

- PoE support
- Outdoor fully weather proof wall/pole/din mounting
- Supports 1.25G 1000Base-X fiber to FE/GigE copper

Power	12-57V Passive or 802.3af PoE
Operating temperature	-40 to +70C
Ethernet	One 10/100/1000Mbit ethernet connector with PoE input support
Dimensions	185x85x30 mm
SFP	One 1.25Gbit port (SFP module not included)
